Lemont Township Handicap Accessible Transportation Service

Lemont Township has operated transportation for **non-emergency** medical appointments since early 2002. This service came out of a need to provide transportation for Township residents to medical appointments that are located outside of Lemont Township.

There are no age restrictions for this door-to-door service that operates Monday through Friday, 8:00 a.m. to 5:00 p.m.

This service uses trained volunteers to drive either a mini-van with a ramp or a bus with a lift..

Drivers receive a stipend for each ride and it is not necessary, nor is it expected to tip them.

- ◆ Reservations must be made **48 hours in advance**. *This program is not able to accommodate emergency situations.*
- ◆ Passengers must contact the Township office as soon as possible to cancel an appointment. There is no charge for cancellations.
- ◆ No other stops are allowed except to drugstores to have prescriptions filled.
- ◆ Riders must have the exact date, time, and address of the appointment, when they call to schedule.
- ◆ This transportation service does not take residents in to Chicago proper.
- ◆ Drivers do not go into doctors' offices with rider, nor do they handle any medical papers.
- ◆ Riders must follow regulations by wearing seat belts and not smoking in the van.
- ◆ To insure getting to appointments on time, riders must be ready at agreed pick-up time.
- ◆ Passengers requiring assistance (wheelchairs, etc.) must have a companion to assist them. There is no charge for this person.
- ◆ Waiver/Release Form must be signed.

Lemont Township reserves the right to cancel trips due to threatening or inclement weather.

Also, transportation may be refused for a person who appears too ill or physically incapacitated to complete the trip.

Reduced rates are available for low-income residents and are approved only by the Human Services Dept.
