

BE COUNTED.

The U.S. Census counts every resident in the United States and takes place every 10 years. The next Census is 2020.

The data is used to distribute billions in federal funds to local communities for services such as transportation, healthcare and affordable housing, to name a few. This data is highly secure, and by law cannot be shared with immigration or law enforcement agencies or affect government benefits.

By Census Day, April 1, 2020, households will be invited to participate in the 2020 Census, with options for responding. You can be counted by mail, online or phone.

Cook County, and the recently established Cook County Complete Count Census Commission, is working hard to ensure a fair and accurate count. Follow us on social media and stayed tuned for more Census information and outreach.
