SEEKING DONATIONS FOR SENIORS & THOSE WITH DISABILITIES

Recommended—paper towels, personal wipes (for birdie baths), Kleenex, cleaning supplies, laundry soap, dish soap, personal supplies such as Tylenol, shampoo, toothpaste, pantry staples (canned goods, peanut butter, crackers, snack bars, etc.) Ensure or other meal replacements for nourishment, things to help entertain (magazines, word search books, puzzles, etc.), and other senior friendly items.

We hope to be able to provide items such as bread, milk, eggs, cheese, etc. and other perishable items moving forward as well.

If an individual, business, or organization would like to work on gathering donations that we can pull together, or drop off prepared "care packages" at the township with useful supplies already included, *it would be greatly appreciated.*

We will be collecting any and all donations to help during the Covid-19 pandemic

Please have any senior/disabled in need call **(630) 930-3522**. If we have a donation available for what is needed, we'll make sure to get it to them, if not we will address that need and seek to fill it.
