

Fellow Lemonters,

On March 20, 2020, by [Executive Order 2020-10](#), Governor Pritzker ordered a shelter-in-place effective Saturday, March 21, beginning at 5:00 p.m. through Tuesday, April 7, 2020, to help slow the spread of the COVID-19. All individuals currently living within the State of Illinois are to stay at home or at their place of residence except as allowed in the Executive Order.

In response to this executive order Lemont Township is adjusting to how we serve you. First and foremost, Lemont Township is open for business, but not business as usual. The safety of our staff and community is our number one priority and as a result Township business will be conducted remotely by all means at our disposal. This means you may not see our “bright shiny faces” instead our staff and volunteers will provide service with a clear mind and a warm heart.

It's hard to describe what we're all facing now as a nation and community. Our lives have been filled with uncertainty as millions of people are working from home, schools are closed, and once customary gathering and social interactions are no longer considered safe.

In these times of uncertainty most of us find our home a source of comfort and stability. If this is not the case for you, I encourage you to reach out to the Township office at [630-257-2522](tel:630-257-2522) at any time day or night!

We're here to assist you and please refer to our website www.lemonttownship.org or our Facebook page for more information on Township services.

I can't express how proud I am to be a part of this loving, caring community. Please be comforted by the fact that **all taxing bodies in Lemont** are in close contact to provide essential services to all residents.

The Lemont Township Board, Staff and volunteers have served this community for almost 170 years and will continue to do so, especially through this difficult next few weeks. May you and your families stay well and please be kind and patient to one another in these times of extreme challenge.

Steven Rosendahl

Lemont Township Supervisor
