Central Bark Rules

All users are required to purchase a Dog Park Permit prior to entry, and to wear the ID lanyard when using the Dog Park.

Owners may only have three dogs in the park at one time.

Dogs must be leashed when entering and exiting the park. Because of plant and animal habitats that make Heritage Woodland Sanctuary unique, regulations require that a dog must be on a leash no greater than 10 feet in length.

Owners must clean up after their dog.

Owners must leave unhealthy dogs and those in heat at home.

Owners must remain with their dogs inside the fenced dog park and keep their dog under control at all times. Dogs must not be allowed to disturb, harass or interfere with wildlife or visitors.

Please use caution when visiting the Dog Park and leash and/or remove your dog from the park at the first sign of aggressive behavior.

Owners are legally responsible for their dogs and any injuries or damage caused by their dogs.

Children under the age of 16 must be accompanied by an adult and not left unattended at the dog park.

Caution and good judgment should be used when introducing puppies to the dog park. Puppies under six months of age are not allowed.

Failure to comply with any of the above rules may result in fines and/or revocation of your dog park permit. All state, county and village park ordinances will be enforced.

Note, that this is a 12 month membership from the date of purchase and members are responsible to submit a new application, updated shot information, and payment for its renewal.
